

# Training Notification Form, IIT Delhi

## Company Overview

**Name:** Finmechanics

**Website:** <https://www.finmechanics.com/>

**Company Type:** Finance

**Description:** Headquartered in Singapore and with offices in London, Amsterdam, Mumbai, Dubai and Sydney, FinMechanics is in the business of providing specialized services and solutions for leading global and regional banks, corporate and financial institutions.

Since 2007, our dedicated team of consultants have:

- 1) Managed System Implementations
- 2) Enabled Process Re-Engineering
- 3) Set up Risk Frameworks
- 4) Implemented Best Practices
- 5) Provided Rich Solutions

FM Converge -- Cross Asset Front/Middle/Back Office solution with latest Regulatory Technology compliance.

FM Connect -- e-Commerce solution for Treasury

FM Physicals -- Integrated front to back platform for Physical Commodities.

We also provide Project Management, Solution Design and Implementation Services on Leading Treasury packages. We've delivered the pricing and risk management tools that banks need in a post-financial crisis world. Our expert consultants work in all areas of a bank's treasury; pricing tools, market data management, trading and order management capabilities, risk management, trade and payment processing and accounting.
