

# ELL205 Signals and Systems

## Tutorial 4, 21 August - 25 August 2023

- 1) You must try out the basic problems with answers 2.1-2.20 on your own and ask questions in the tutorial class if you have any difficulty.
- 2) In the tutorial class, the following problems will be discussed: 2.7, 2.21c) 2.24, 2.32, 2.48, 2.49, 2.63, 2.65
  - Sketching the answer is perfectly fine in this course. It is sometimes more convenient. Make sure you label all important points!
  - Please bring your textbook along when you come over to the tutorial class.
