

Training Notification Form, IIT Delhi

Company Overview

Name: Vedanta L

Website: <https://www.vedantalimited.com>

Company Type: Core (Technical)

Description: Vedanta is India's leading, and world's 6th largest diversified natural resources & technology conglomerate with business operations majorly in India and in South Africa, Namibia, UAE and Australia. We are a fully integrated producer of Oil & Gas, Zinc - Lead - Silver, Copper, Iron Ore, Steel, Aluminium & Power.

We are also the industry's leading solutions provider for global digital networks – Sterlite Technologies (STL). We partner with global telecom companies, cloud companies, citizen networks and large enterprises to deliver solutions for their fixed and wireless networks for current and future needs.

Vedanta has forayed into the Semiconductor & Display Business, through acquisition of Avanstarte Inc. (ASI), a pioneering manufacturer of LCD glass substrates. We aspire to bring complete Display ecosystem to India by careering to Mobile Display market and gradually also serve the other segments such as Automotive, iPad/Computers, TVs, etc.

With our world class assets, we are amongst the global leaders in the diversified natural resources industry contributing 1.4% of India's GDP, as per IFC, through the economic & social development of communities & economies. Our larger purpose is to give back to society, communities and the country at large.
