Training Notification Form, IIT Delhi

Company Overview

Name:	Dynamic Technology Lab
Website:	www.dytechlab.com
Company Type:	Finance
Description:	Dynamic Technology Lab Pte Ltd ("DTL") is a quantitative hedge fund established in Singapore and engages in global securities trading with multiple asset classes. As a tech-focused Licensed Fund Management Company under the Monetary Authority of Singapore, DTL is dedicated to producing strong consistent returns for its investors by relying on mathematical and statistical models to drive its investment process.

Project Details

Designation:	Full-stack Infrastructure Developer Intern
Type:	Information Technology
Location:	Singapore
Project Details:	The full-stack infrastructure developers provide backbone infrastructure for the software developers and everyone that code in the firm. As an intern, you may be given projects from a wide range of topics: from deployment, monitoring, package management, to distributed task scheduler, file system. The end goal is to create an elegant abstraction on top of our infrastructure to improve stability and increase the productivity of everyone in the firm.

The tech stack for infrastructure is mostly Python and Go. However, as your work spreads across multiple development teams, you will need to acquire domain knowledge on various tooling and frameworks - Bazel, Ansible, Nomad to name a few. Prior knowledge is a bonus but not required.

NOTE that this is not a support role but focuses purely on the development side.

Qualifications:

• Pursuing a Bachelor's degree in computer science is preferred
• Proficient in Python or Go
• Solid background in Computer Science such as knowledge in data structures, operating system, network and database
• Excellent communication skills

The following are bonuses:

• Experience with networking

Stipend Details

Stipend:	3,000 SGD
Accommodation:	No
Travel Expenses:	Yes
Perks / Bonus:	Accommodation: The monthly stipend of 3000 SGD includes accommodation where the intern will pay for his/her own housing but the company will help to search for it. Travel: Work visa and two-way flight tickets will be sponsored by the company
